2011-12**

# RULES 2011-12

Like last season Ann and I will host each evening so the home team does not need to provide a questionmaster.

- At the end of the round Ann and I will collect the answers and we will mark them.
- All team members to pay 2 euros each Sunday to cover the cost of the questions etc.
- Football cards will be on sale at 1 euro a go, with 50% going to the winner in prizemoney and 50% going to the bar towards the cost of the food. The number of teams on the card is being increased from 42 to 50 this season because of their popularity last season.
- All matches start at 9.00 pm prompt Sunday.
- The Individual and Cup/Handicap Cup Competitions will be incorporated into the Finals and Presentation Night.
- Last season was great fun, let's hope that continues .. and don't forget **NO MOBILE PHONES ... NO LAPTOPS ... NO APPLES, BLACKBERRYS OR BLUEBERRYS!**

# THE QUIZ FORMAT

All questions are 'team questions' and teams will confer, with the captain writing answers down on the answer sheets provided. All four teams answer the same questions.

There are 50 questions divided into five rounds of ten questions: Rounds 1, 2, 4 and 5 will contain a mixed bag of general knowledge, sport, entertainment questions etc. Round 3 will normally be a picture round whereby you have to identify ten people, things, or places from the pictures provided. It won't be a picture round every week...so be warned!

After each round we will collect the answer sheets and mark them. The scores will be read out before the start of the next round.

At the end of the night the team with the most points shall win the game and be awarded two points, with one point each for a drawn game. If, at the end of the season, two teams are level on points then the most points scored in aggregate will decide the winners. In the event of any team failing to fulfil a fixture the opposing team shall be awarded two points for the win and will be credited with the score of the highest scoring team that night, with the team failing to turn up scoring 'nil'

Surnames only of people are acceptable as answers to questions unless otherwise indicated on the question. Obviously, if the answer to the question is Simon Smith then you don't just put 'Smith' down as the answer, you must put Simon as well.

Spellings aren't important either. If it is obvious a team knows the answer, give them the point. William Hague is the ex-Tory party leader but if anybody spells it Haigh then they are **right**. Let's not get too pedantic eh! And, unless otherwise stated, England, Scotland, Wales & Northern Ireland ARE countries for the purpose of this Quiz League!
